A Message From Santa Fe County 4-H

Santa Fe County 4-H is an amazing organization filled with bright youth and dedicated adults. This year has seen many changes in our 4-H leadership. Even with these changes our 4-H families have worked just as hard to exhibit their many projects and talents as we have come to expect from Santa Fe County! We'd like to thank everyone that continued to support our kids through this transition. We could not have done it without you and thank you for your support.

BE BOLD. Shape the Future.

12. Exhibitors (individual 4-H and FFA members) are restricted to one exhibit per class except in Flowers and Vegetables (see special rules).
13. All exhibits must be current year 4-H/FFA work and done by the exhibitor. If entries are not from the current year or the exhibitor's original work, then all the exhibitor's entries will be removed from the County Fair and judging.
14. 4-Hers must be enrolled in the project and meet project requirements. Judging will be based on the standards listed in the 4-H project book. Judges will determine the merit of each exhibit. Should space be limited, only the top placing exhibits will be displayed after judging.
15. Indoor Exhibits must be claimed Sunday, August 6th, between 8 am -11 am.

Exhibitors must be present and actively involved during the fitting.
17. All animals must be shown by their owner both in the judging arena and the sale ring. No exceptions will be made unless the owner has a valid reason acceptable to the superintendent and arrangements have been made with the superintendent **24 hours prior to show** (exceptions can be made at the discretion of the fair board). If an exhibitor has more than one entry in a class, a substitute exhibitor may show an animal. A qualified substitute exhibitor must be a bona fide 4-H club or FFA member in good standing from Santa Fe County.

The show specifically reserves the right to have tissue, blood, or urine laboratory analysis made on any animal entered for competition. The conclusions reached by the veterinarian as to whether such animal has been administered or given a substance or a drug in violation of the rules or has not been properly withdrawn from approved drugs shall be final, without recourse against the show or any of its officers. A licensed veterinarian should be consulted before administering any medication or growth stimulant.

- a. The use of any chemical compound that is not approved by the FDA for use in meat producing animals and the illegal use of approved chemicals or compounds is prohibited. Unapproved is deemed to mean not approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals. If an animal passes all USDA tests but fails any FDA testing for the presence of drug(s) or other chemicals, the animal will be condemned by show officials and not allowed for consumption.
 - b. FDA approved calming agents can be used before and during the show. It is advised that when using before the show, one should follow the recommended dosage on the product label. For the agent to work properly, and to coincide with the time of the show, one is to make sure that it is distributed to the appropriate animal in enough allotted time. During the show, can be defined as the time upon when the animal is unloaded at the fairgrounds and until it departs. The use of the calming agent is only to be used for the animals which are either unruly or under extreme stress associated with a change in the environment. For the safety of the animal, any animal which carries stress-related genes may also be subject to a calming agent. These agents are to be used with the safety of the exhibitor and the attendees of the Santa Fe County Fair in mind. If the calming agents have no effect on the animal, then a decision by the fair board members must be made as to whether the animal will be allowed to be in residence at the fairgrounds or to be shown.
 - c. The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the Santa Fe County Fair as follows:
 - i. Animals must be in good health and carcasses free of drug or chemical residues.
 - ii. Antibiotics and sulfonamides have required withdrawal periods.
 - iii. Drug label directions for use and withdrawal periods must be followed.
 - iv. If drug or chemical residues are found in tissues of carcasses, the entire carcass may be condemned.
20. It is the sole responsibility of the exhibitor to ensure that the animal is free of the above prescribed drugs and substances. Extent of knowledge on the part of the exhibitor regarding the drugs or substance found in an animal is not relevant to any issue, and it shall not be a defense that a person or persons unknown introduced the prescribed substance to the animal.
21. In the case of antibiotic use in an animal prior to show, the exhibitor must notify the County Agent and the Superintendent of the species. The animal will qualify to show but not to sell if withdrawal period has not been met.
22. **Consequences:** after examination by an official veterinarian, if an animal is found to have been subject to unethical practices, including producing an analysis with a quantity of a substance or drug in violation of these rules:

in to any superintendent. The Fair Board will review the concern and respond to the exhibitor. 4-H/FFA exhibitors may be given an opportunity to meet with the Fair Board representatives prior to a final decision on their concern(s).

26. The Santa Fe County Fair Board is charged with interpreting these rules and policies and authorized to act consistent with these rules and policies. Participants who have concerns regarding the application of these rules and policies or other Fair Board actions should present their concerns in writing by completing a Cause for Concern form (see item 24).

2. All small animals are subject to the Santa Fe County 4-H/FFA Livestock Show General Rules and Policies.
3. Cages for small animals will be provided by the fair.
4. The fair will try to provide containers for water and food, but the exhibitors may substitute their own if not obtrusive. Exhibitors will be responsible for feeding and watering. All small animals must have water at all times and food for, at least, several hours a day.
5. Small animals will be released at the designated time in the schedule after clean-up. Exhibitors not participating in clean-up may be assessed a \$25 clean-up fee. **The Santa Fe County Fair management may refuse entry in future years to an exhibitor who fails to give proper care to his/her animals until release or fails to properly clean pens and grounds.**
6. All small animal exhibitors will need to complete a declaration form **NO later than July 7**. Exhibitors need to declare any animals which they plan to exhibit at the county fair. The declaration form will include breed, species, age, general coloring; rabbits need to include their ear tattoo. Exhibit sex is required on the declaration form. Meat pens will also need to be declared at this time.
7. All exhibitors will need to upload a picture of each entry in the Fair Entry system during the registration process. For poultry a basic broad side picture is what we are looking for. On rabbits a broad side picture as well as the best picture you can get of the ear tattoo is what will be needed. Meat pen pictures will be required of all three (3) animals, tattoo pictures for rabbit meat pens will also be required.
8. Exhibitors of small animals that are selected for the Junior Livestock Auction will be required to complete a Livestock Terms of Agreement Form prior to the sale.

Rabbit

1. Exhibitors will be required to determine the classification of their rabbit project at the time of registration or declaration. The rabbit superintendent will not classify rabbits upon check-in. The judge will examine your project based on the ARBA standards for the class of rabbit presented.
2. No substitutions are allowed once the rabbits are entered. Show rabbits will be at least three (3) months old at time of judging except Single Fryers and Meat Pens.
3. Rabbits are to be entered in accordance with the class list provided. Fur and wool classes are entered first in the regular show. See fur and wool class for details.
4. Rabbits will be judged in accordance with the American Rabbit Breeders Association’s Standard of Perfection. Modifications in judging order will vary from the Standard in variety, but rabbits themselves will be judged to the Standard. Crossbreeds have no standard to be judged by, so will be left up to the discretion of the judge.
5. Rabbits will be judged by breed, sex, and age. Best of Show/Grand Champion will be taken from the Best of Breed. Single rabbits in a breed will be considered “Best of Breed”. Reserve Grand Champion and all lower ranked animals may be selected by the judge from all animals in the show. The decision of

the judge is final.

6. Classifying rabbits: at time of check-in, rabbits will be checked for proper breed, sex, and variety. At the time, the exhibitor has the option of entering the rabbit in the correct class, or leaving it as entered.
7. Rabbits used in showmanship must be exhibited in the show and owned by the showman/exhibitor. Cloverbuds are the only exception to this rule. **Official dress code applies** see item 7 in Livestock General Rules and Policies.
8. All rabbits must have a permanent tattoo in the left ear. All rabbit ear tattoos must match the tattoo listed on the registration form. This applies to meat pens and individual entries.
9. Any 4-H member may place a rabbit on the show table, if the owner is not able to do so themselves.

Wool and Fur Rabbits—Working

Any rabbit entered in the Fur or Wool classes must be entered in the regular show. Rabbits will be judged by breed, then by coat type to determine the winner in either Fur or Wool. Rabbit entries will be limited to only one (1) rabbit per breed per exhibitor. Example: if an exhibitor has Mini Rexes, they may show only one in fur. If an exhibitor has Mini Rexes and Satins, then the exhibitor may show one Mini Rex and one Satin. All prospective rabbits shown in the fur or wool class must be entered with the other entries; the rabbit that will be shown can be chosen on judging day and entered at the time the class is judged.
