3. Santa Fe County Horse Show will follow American Quarter Horse Association (AQHA) rules for classes, requirements, and disqualifications with exception (available at <https://www.aqha.com>) to English Discipline Rail which will follow Pinto Horse Association (PtHA) rules (available at <https://pinto.org>). 5. For any classes not specifically included in the AQHA rules, the horse show judge is the final authority on how that particular class should be conducted and judged. Furthermore, the horse show judge is the final authority for interpreting AQHA rules as they apply to the conduct of a show. In the event of inclement weather, the horse show judge is the final authority on determining which classes can safely be held. If a class is not conducted due to the judge's ruling, then no points will be awarded for that class.

Horse Show Rules for conduct and safety (supersede any AQHA/PtHA rules):

1. Safety is the foundation of good horsemanship. If the judge or superintendent deems an exhibitor and/or horse is displaying unsafe behavior or lack of control, the judge or superintendent shall notify the exhibitor to refrain from such behavior. If this behavior occurs in the show ring, the judge may “whistle off” the exhibitor to conclude the performance at that point, and the exhibitor will exit the arena. If this behavior occurs outside the arena, the judge or superintendent shall issue a warning to the exhibitor. If repeated occurrences of unsafe behavior continue, the judge or superintendent may excuse them from the show.
2. Positive youth development requires a fair and level playing field and the superintendent should make this a primary consideration for the horse show. Exhibitors expect fair and honest competition when they enter a contest, and all should strive to attain that at each event. If an exhibitor receives external aid (calling out specific maneuvers for a class, yelling out to correct a missed lead, etc. from a parent/guardian, trainer, coach, etc.) while in the competition arena, the judge and/or superintendent shall issue a warning to those involved in the unfair behavior. If the external aid does not cease, the judge shall disqualify entry in the class. If the external aid continues beyond one class, the superintendent may disqualify the exhibitor/horse combination from the show.
3. Any disqualification due to unsafe or unfair behavior forfeits any fees paid for participation in the show. However, any points gained prior to disqualification shall stand.
