SHOOTER'S JOURNAL

In order to make changes to better your shooting, it is important to record what you observed during your practice sessions or competitions. What were the shooting conditions and/or weather like? What adjustments could you make in your shooting position or with your equipment? How did you feel when you shot? What shooting discipline did you practice or compete in that day? (Use additional pages as needed)

EXAMPLES

Date: November 15, 2018 --- Practiced FITA at the local range with my parents. Conditions were cold and windy, but sunny at 10:00 am. Scores were lower due to the weather conditions. Made adjustments in my shooting position and moved rifle sights two clicks to the right.

Date: April 8, 2018 --- Competed in the County Archery Competition at the State Contest. Conditions at 9:00 am were warm with a slight breeze. Scores were better at closest distance, but are improving at longer distance. Placed second in compound bow.
