Things I would like to do while enrolled in the shotgun project (list and explain).

Development of leadership skills is an important part of the 4-H club program. In a leadership role, a 4-H'er assumes a definite responsibility and develops more skills and confidence as he or she advances in project work.

Examples of leadership in the shooting sports project would include:

- Teaching others about shooting sports through a club demonstration.
- Teaching or assisting a younger member with shooting techniques, safety, or equipment.
- Serving as a scorekeeper or junior range officer.
- Took the lead in setting up the shooting range for practice.
- Leading a shooting sports fundraising event.

SHOOTER'S JOURNAL

In order to make changes to better your shooting, it is important to record what you observed during your practice sessions or competitions. What were the shooting conditions and/or weather like? What adjustments could you make in your shooting position or with your equipment? How did you feel when you shot? What shooting discipline did you practice or compete in that day? (Use additional pages as needed)

EXAMPLES

- Date: November 15, 2018 --- Practiced trap shooting at the county practice. Conditions were cold and windy at 10:00 AM. Scores were lower due to the weather conditions. Made adjustments in my shooting stance and made adjustments for the wind.
- Date: April 8, 2018 --- Competed in the State Shotgun Competition at the NRA Whittington Center. Conditions for trap at 9:00 AM were warm with a slight breeze. Conditions for Skeet were warm and windy at 2:00 PM. Had a perfect score on trap! Only shot a 40/50 on skeet due to windy conditions. Placed 5th over all!
