

Seed to Supper

Container and Raised Bed Gardening Series

April 5th thru May 10th (Every Saturday from 10-11:30am)

Santa Fe Community College, Controlled Agriculture Classroom

Santa Fe Community College Innovation Center and NMSU are presenting a free 6-week lecture series for beginner gardeners! This course will teach you everything you need to know about getting started with a container or raised bed vegetable garden!

Topics Include:

- Planning your container or raised bed garden
- Soil Preparation--for a healthy start
- Planting--when and what to plant in a container or raised bed garden
- Caring for your Garden--how to nurture plants in a container or raised bed garden
- Protecting your Garden – weeds and common pests
- Harvesting and Storage of your crops

All classes are free. Space is limited and pre-registration is required. Call 505-224-4053 and leave a message with your first and last name as well as phone number, or email amj@nmsu.edu. Individuals must be 18+ to participate. **Participants who attend 4 out of 6 classes will receive free gardening supplies!**
