## Small Animals

1. The term “small animals” refers to all rabbits and poultry.
2. All small animals are subject to the Santa Fe County 4-H/FFA Livestock Show General Rules and Policies
3. Cages for small animals will be provided by the fair.
4. The fair will try to provide containers for water and food, but the exhibitors may substitute their own if not obtrusive. Exhibitors will be responsible for feeding and watering. All small animals must have water at all times and food for, at least, several hours a day.
5. Small animals will be released at the designated time in the schedule after cleanup. Exhibitors not participating in cleanup may be assessed a \$25 clean-up fee. **The Santa Fe County Fair management may refuse entry in future years to an exhibitor who fails to give proper care to his or her animals until release or fails to properly clean pens and grounds.**
6. All small animal exhibitors will need to complete a declaration form **No Later Than July 11, 2022**. Exhibitors need to declare any animals in which they plan to exhibit at the county fair. The declaration form will include Breed, Species, age, general coloring, Rabbits need to include their ear tattoo. Exhibit sex is not required on the declaration form. Meat pens will also need to be declared at this time.
7. All exhibitors will need to upload a picture of each entry in the Fair Entry system during the registration process. For poultry a basic broad side picture is what we are looking for. On Rabbits a broad side picture as well as the best picture you can get of the ear tattoo is what will be needed. Meat pen pictures will be required of all 3 animals, tattoo picture for rabbit meat pens will also be required.
8. Exhibitors of small animals that are selected for the Junior Livestock Auction will be required to complete a Livestock Terms of Agreement Form prior to the sale.

## Rabbit

1. Exhibitors will be required to determine the classification of their rabbit project at the time of registration/declaration. The rabbit superintendent will not classify rabbits upon check in. The Judge will examine your project based on the ARBA standards for the class of rabbit presented.
2. No substitutions are allowed once the rabbits are entered. Show rabbits will be at least 3 months old at time of judging except Single Fryers and Meat Pens.
3. Rabbits are to be entered in accordance to the class list provided. Fur & wool classes are entered first in the regular show. See fur & wool class for details.
4. Rabbits will be judged in accordance to the American Rabbit Breeders Association’s Standard of Perfection. Modifications in judging order will vary from the Standard in variety, but rabbits themselves will be judged to the Standard. Crossbreeds have no standard to be judged by, so will be left up to the discretion of the judge.
5. Rabbits will be judged by breed, sex & age. Best of Show/Grand Champion will be taken from the Best of Breed. Single rabbits in a breed will be considered “Best of Breed”. Reserve Grand Champion

and all lower ranked animals may be selected by the judge from all animals in the show. The decision of the judge is final.

6. Classifying rabbits: At time of check-in, rabbits will be checked for proper breed, sex and variety. At that time, the exhibitor has the option of entering the rabbit in the correct class, or leave it as entered.
7. Rabbits used in showmanship must be exhibited in the show and owned by the showman/exhibitor. Cloverbuds are the only exception to this rule. **Official Dress Code Applies:** See item #7 in Livestock General Rules and Policies.
8. All rabbits must have permanent tattoo in the left ear. All rabbit ear tattoos must match the tattoo listed on the registration form. This applies to meat pens and individual entries.
9. Any 4-H member may place a rabbit on the show table, if the owner is not able to do so themselves.

### **Wool and Fur Rabbits- Working**

Any rabbit entered in the Fur or Wool classes must be entered in the regular show. Rabbits will be judged by breed, then by coat type to determine the winner in either Fur or Wool. Rabbits entries will be limited to only 1 (one) rabbit per breed per exhibitor. Example: if an exhibitor has Mini Rexes, they may show only one in fur. If an exhibitor has Mini Rexes and Satins, then the exhibitor may show one Mini Rex and one Satin. All prospective rabbits shown in the fur or wool class must be entered with the other entries; the rabbit that will be shown can be chosen on judging day and entered at the time the class is judged.

Meat Pens: are to be 3 rabbits of the same breed and variety, same or mixed sex. They will weigh between 3 and 5 lbs. each with a total pen weight of 9-15 lbs. Their maximum age should be no more than 69 days at time of judging. Meat pen rabbits are to only be entered in the meat pen class. All Meat Pen entries will be weighed at the designated time set in the schedule. Any rabbit meat pen found to be over or under the weight range or the wrong mix of varieties will be disqualified and the individual animals will be placed in the appropriate general breed class.
